Hey Ladies - - Hope all is well with both of you. Quick question - -

The Rehoboth Beach comp plan has come before PLUS and a PLUS letter has been issued. One of the certification items is proof they have reached out to the neighboring city/town to share their plan and any communication back from each jurisdiction regarding concerns.

I did not see communication from Lewes in the plan so I wanted to double check - - Does Lewes have any concerns with the Rehoboth Beach plan? If so, please reach out to me as soon as possible so we can get the information to the city to review.

Your help is greatly appreciated.
