1	Quality of life is more than the items listed here. Overcrowding and too much traffic is a huge issue. I know Rehoboth residents who will not participate in local stuff due to crowds/traffic, and people in the area who order toilet paper and other basics to be delivered to their home via UPS so they don't have to put up with traffic. Money is being spent elsewhere due to lack of really addressing and fixing these huge problems	8/7/2019 2:44 PM

Q23 What changes (both positive and negative) have you notices in the City of Rehoboth Beach?

#	RESPONSES	DATE
1	Traffic sure isn't getting better. Now if only they didn't get rid of the train... The beach access is a lot nicer, and the diversity of the shops on the avenue has substantially improved. A grocery store would really be nice. But we'd need more year-round people. Definitely do not need any more high density housing until someone figures out what to do with traffic.	8/23/2019 9:53 PM
2	Has become more bike friendly throughout the past decade.	8/23/2019 1:37 PM
3	pedestrians aggressively walking across intersections against the "do not walk" signs.	8/21/2019 3:49 PM
4	Congestion/traffic into, around, and out of the town is getting much worse. The blocks on 1st St up to a few blocks away from Rehoboth Ave are VERY dangerous to drive/walk/bike. Way too much confusion with people going all different directions and no four-way stops to help vehicles acces 1st St.. Mini hotels are replacing quaint cottages, adding MANY vehicles to Rehoboth's streets (parking getting much worse).	8/20/2019 12:26 PM
5	House being torn down and gigunda buildings that are really hotels being built on the property. Overcrowding leads to a lack of civility from pedestrians, bicyclists and drivers. Every new business in the ocean blocks in Rehoboth just wants my money. I avoid Rehoboth as much as possible in the summer months. And it's sooo annoying how so much traffic congestion means you have to plot out when it's "safe" to try to drive in the Rehoboth and Lewes areas.	8/7/2019 2:50 PM
6	Parking has become way too expensive. Rarely come into town.	7/26/2019 11:18 AM
7	"notices" does anyone proofread anymore?? losing restaurants and stores because it is too difficult to move around in summer summer ban on dogs on beach and boards at anytime is ridiculous - provide a meaningful place for them, even if it is a dog park or section of the beach	7/25/2019 5:11 PM
8	New businesses and restaurants, range of cultural events are positives. Unfilled store fronts are negatives.	7/25/2019 1:21 PM
9	Traffic and parking have become very challenging over the last 5 years. For that reason, along with the increase in parking rates, I rarely consider shopping in town any longer. I used to go quite often. Bicycle safety needs to be greatly improved. It's the Wild West in the summer and I rarely see enforcement of bicyclists who do not follow traffic signals, etc. I bicycle and constantly worry about safety for all.	7/24/2019 12:03 AM
10	Parking and traffic are getting worse. Need more pedestrian space. Businesses seem to have a disadvantage to route one due to city restrictions, parking, and rent.	7/23/2019 9:03 AM
11	larger crowds, more cars, higher prices in restaurants	7/19/2019 8:11 AM
12	I like the diversity of the visitors. I don't like the continued mess with the parking issues, and the cleanliness of the streets and curb appeal needs to be enforced. Some places look awful.	7/18/2019 11:15 AM
13	Mobile parking apps. - Positive Growing list of unoccupied storefronts - Negative	7/17/2019 6:09 PM
14	Clean and shuttle runs not near rhe band stand so it is safer.	7/17/2019 5:56 PM
15	I'm not a fan of the different parking meters. I'm also not a fan of the very invasive summer crowds. Lots of rude people in a normally very nice population.	7/17/2019 5:55 PM
16	In attention to parking shortages. Tourism is harmed and visitors from surrounding communities discouraged from visiting and spending \$\$.	7/17/2019 5:44 PM
17	Parking changes. I like the new way they tou can pay meters	7/17/2019 5:36 PM
18	overcrowding; challenging parking; long lines at restaurants;	7/17/2019 3:46 PM
19	The new playhouse is positive	7/17/2019 3:38 PM

20	Public transportation year round is great , convenient, easy and cheap. Negatively the boardwalk and surrounding areas always look dirty.	7/17/2019 2:26 PM
21	Lousy parking rules. Discouraging visitors.	7/17/2019 12:38 PM
22	Attention to trees--replacing public area trees, encouraging citizens to replace trees on their property. Parking fee facilities (e.g., using Parkmobile). Negative--increased traffic with no new parking available.	7/17/2019 11:46 AM
23	parking more difficult	7/17/2019 11:32 AM
24	Increasingly difficult to manage a bicycle yet there is an increase in bicycles. It seems they are trying to improve parking - but I am not really seeing a resolve to this issue.	7/17/2019 11:11 AM
25	Some great NEW eateries to add to the current offers Many more empty storefronts - evidence of the challenges facing independent retailers especially	7/17/2019 10:46 AM
26	Difficult to drive around delivery trucks. Would like them to use alley or time restricted to certain early hours.	7/16/2019 9:28 PM
27	More crowded. Larger hotels are pushing out smaller businesses.	7/16/2019 12:31 PM
28	Now getting to know it but could use a nicer selection of restaurants and grocery stores and fresh food markets	7/15/2019 1:10 PM
29	We like the additional Lewes bus station that provides transportation downtown. The improved public restrooms with cleaning attendants are great. The ability to park in the convention center parking lot is also great, but city should have built a multi-level parking lot at the time of construction/renovation of convention center. Some parking on the south side of Rehoboth Avenue would be nice, maybe a multilevel garage on the lot behind the library.	7/11/2019 4:04 PM
30	Positive - Great restaurants, Negative Traffic, just too much traffic & angry drivers	7/11/2019 3:09 PM
31	Baltimore Avenue looks like it has been getting more work done to the buildings and environment, however, the parking is just as bad as Rehoboth Avenue. The beach is very clean, and I'm happy to see the dune grass plants, but if we are there in April the kids from DSU are very misbehaved (they tried to steal our beach equipment the very first day of our vacation). The cops came out quickly which was good, but by that time the kids are gone, and you still have that initial experience of having your belongings and safety violated. Ocean City, Maryland has a lot more of a police presence, and they hire young cadets every summer to help out seasonally. I wish we saw that in Rehoboth. By the way, the parking situation has officially made it so that we no longer visit Rehoboth after Memorial Day. It breaks my heart. So we visit the stores and restaurants in Lewes, Fenwick Island, and Ocean City, Maryland during the summer. Wish we could spend our \$\$ in Rehoboth, but we can never get a parking space, and I have paid too many fines for missing the ticket expiration by a minute or two.	7/10/2019 8:45 PM
32	N.a.	7/10/2019 5:27 PM
33	NEGATIVE: It's inexcusable for the City to be overcharging for hourly parking throughout the city! The current rates are prohibitive & the lack of parking a major discouragement to go there and spend money. Stop worrying about trees so much, and focus totally on making more available parking for cars & scooters, and REDUCING the cost to park there, not INCREASING it. Gets worse every year, makes Rehoboth very unfriendly to vacationers who want to come here. Not too mention all the parking tickets you stick it to them with. It's shameful.	7/10/2019 3:53 PM
34	Too many cars. House rentals with too many people and cars	7/9/2019 9:55 AM
35	The boardwalk is still beautiful, but we rarely walk on it during the busy season because the crowd has changed, and the boardwalk is strewn with trash. We spend more time here after the busy season.	7/8/2019 10:29 AM
36	Positive - restaurant selection and scooter corral parking areas Negatives - more empty storefronts	7/8/2019 10:19 AM
37	The biggest change is year round how busy it has become and sadly in summers there is a lot of different people coming and it is losing its charm. We also hate how the bungalow and small houses of what Rehoboth was is becoming mega million huge houses.	7/8/2019 5:39 AM
38	need better traffic controls on keeping route 1 moving especially in summer months	7/7/2019 9:58 PM
39	Not really noticed changes.	7/7/2019 4:13 PM

41	The positives would be the continued support from the locals and the Chamber of Commerce. There is a strong desire by the people here to better the town. The negatives are mostly the government - they have made it difficult to conduct business in town and they don't understand the consequences of their actions. By setting up additional fees on local businesses they will eventually starve the town of vital resources which will drive down home prices. In other words, the local politicians are looking for short term gains at the expense of the long term.	7/7/2019 11:38 AM
42	tick invasion this year!!!	7/6/2019 9:17 PM
43	Positives: unique shops. Great restaurants. Pet friendly hotels & areas. Negatives; outrageous prices charged for hotel accommodations. Traffic is horrific during summer season. Your first response teams & police are useless when it comes to clearing accidents on major roadways such as RTE 1 Perhaps they need to go a city that deals with these types of issues to actually learn proper response time as well as very quickly clearing accidents to allow traffic to move quicker. Your police or troopers are just standing around instead of directing drivers to alternate routes to avoid the accident. Ex. Last August an accident occurred on RTE 1 we were 10 min from our hotel with young children & pets in the car. It took 4 hours to reach our hotel. Troopers should have at least had one lane open instead of closing all four lanes. SHAME ON THEM!!! It makes them as well as the officials in the city of Rehoboth look like idiots. Something like that would have been swiftly & effortlessly handled in NYC, Ca. or most major cities including Europe.	7/6/2019 7:06 PM
44	Too crowded. No parking near Rehoboth Avenue, I have gone there to shop and turned around and left because there was no parking.	7/6/2019 1:48 PM
45	Increased traffic	7/6/2019 12:32 PM
46	Just beach going people coming to the beach, people not interested in spending money. I have noticed a lower ethical standard and quality in people coming into the city that in no way have the City's best interest at hand	7/6/2019 12:00 PM
47	Very Very expensive Municipal Building. Post Office parking spots were cut back. Increased metered fees.	7/6/2019 11:04 AM
48	Rehoboth in Bloom very Positive. Reluctance to have Sussex County assume responsibility for water treatment VERY NEGATIVE.	7/6/2019 8:41 AM
49	More crowded, pedestrians not paying attention, cranky drivers in a rush when THEY'RE the out of towners!!	7/6/2019 8:27 AM
50	Many original homes have been replaced with "mega" homes causing more and more cars and people competing for space. Many great restaurants are located in Rehoboth.	7/6/2019 7:55 AM
51	Loosing it's charm too many bars Boardwalk still nice	7/6/2019 4:02 AM
52	Cleaner beach, updated properties.	7/5/2019 8:54 PM
53	It seems much more crowded now and there are more cheap, stereotypical beach-town shops now. (TShirts, souvenirs...)	7/5/2019 6:09 PM
54	More population	7/5/2019 5:56 PM
55	Too much construction; too many new hotels/motels	7/5/2019 4:57 PM
56	The fines for no meters you can't see I went once this summer never again spent over \$200 on boardwalk and left with a \$40 dollar fine didn't see the meter there was NONE yet judge told me there's signs on the street.. they took away the visible meters for visitors to see and they leave with a fine check their ticket records	7/5/2019 4:38 PM
57	Traffic is getting worse. Parking is limited.	7/5/2019 3:25 PM
58	Too much summer car traffic. Not enough parking options. Not enough public toilet options mid town. Good remodel of central parking along Rehoboth Avenue.	7/5/2019 3:21 PM
59	Less parking options	7/5/2019 3:05 PM
60	Positive has been all the new restaurants Negative has been Stan Mills retirement which is a lot of institutional knowledge to lose	7/2/2019 8:39 PM

Q24 What challenges do you face as a visitor in the City of Rehoboth Beach?

Answered: 63 Skipped: 306

#	RESPONSES	DATE
1	Traffic. Is. Insane. If there were an honest to god emergency we'd be completely doomed.	8/23/2019 9:53 PM
2	Terrible traffic on drive down (specifically route 1)	8/23/2019 1:37 PM
3	As mopeds have become more popular there is insufficient parking at times, especially on Baltimore and Wilmington Avenues.	8/21/2019 3:49 PM
4	I walk into and out of town so it's not bad. But, people having to drive will likely quit coming into town at some point - stay out on Rt 1 and eat/shop. Access is terrible. Then there's Rt 1 gridlock making it difficult to get around.	8/20/2019 12:26 PM
5	Plain and simple, ease in getting around, ease in finding parking. It's just nuts.	8/7/2019 2:50 PM
6	Parking.	7/26/2019 11:18 AM
7	limited ways in or out - not fun to fight that traffic - why not direct traffic at peak times in season?? no way to see traffic and parking ahead of time - cameras in town would be a big help parking stupid expensive	7/25/2019 5:11 PM
8	Traffic getting into town. Parking at times.	7/25/2019 1:21 PM
9	Parking rates keep increasing which don't appear to make traveling into and parking in the city any easier. It just drives us (locals) out onto Route 1 to do our shopping instead. I expect this hurts businesses in town. With the new 3-hour time limit for meters on Baltimore, etc., I may discontinue being a season ticket holder for Clearspace theatre. My neighbors require handicapped parking and we can no longer park near the building, enjoy dinner downtown and then go to the show. The limit is too restrictive, especially in the evening.	7/24/2019 12:03 AM
10	Empty shops. Seasonal businesses. Safety while riding a bike.	7/23/2019 9:03 AM

15	Parking is difficult during the summer months. It's an obvious issue but a real one nonetheless.	7/17/2019 5:55 PM
16	Shortage of handicap parking and parking spaces.	7/17/2019 5:44 PM

19	Parking, public transportation, crosswalks	7/17/2019 3:38 PM
20	PARKING PARKING PARKING. I give up in summer and take the bus. Traffic flow is at a stand still most of the time. Took me 35 minutes to get from Lewes to John J Williams. Health Care leaves a lot to be desired. Beene needs to be torn down and rebuilt.	7/17/2019 2:26 PM
21	Parking and traffic management. Meters are more available, but the price and time limit are discouraging visitors. More people buy permits and now there are less space available.	7/17/2019 1:42 PM
22	Parking. Limited to 3 hours. Cant shop or eat or go to beach longer than 3 hours Have to leave play before it is over or risk fine for parking longer than 3 hours	7/17/2019 12:38 PM

34	We go the trouble of driving all the way to downtown Rehoboth to have dinner or see entertainment, and after circling around & around for a parking space, often end up turning around and going home because there is simply not sufficient public parking provided for people to come there. It is a terrible deterrent to going there, especially in season. Sad...	7/10/2019 3:53 PM
35	Overcrowded in the summer and now in fall and spring too	7/9/2019 9:55 AM
36	The crowd has changed. Since hurricane Sandy, when the NJ beaches could not be used, folks that normally went there, came here. In Rehoboth, parking is cheap, there are no beach fees or sales tax, and the beach/boardwalk are beautiful. They come back year after year and it has become a day trip for many, and, I suspect, the crowds do not put a lot of money back into the town economy.	7/8/2019 10:29 AM

51	Parking to go to Clearspace as a season ticket holder. Getting out of town during backups (from Gordon's via Columbia) after beach day	7/6/2019 8:27 AM

I love the small town feel of Rehoboth as compared to Ocean City, the people are friendly, the restaurants are great, the cultural venues are great. It truly is a great place to live. #	RESPONSES	DATE
1	Better parking situation and more festivals/events	9/4/2019 12:10 PM
2	Clean the place up, there is trash everywhere and too many people	9/4/2019 12:06 PM
3	Please don't raise the building heights or tear down any more old houses. You will lose the character of Rehoboth that has made it special for so many years. My family has been visiting since the 1920s and we don't want to see Rehoboth turned into OCMD.	8/31/2019 11:51 AM
4	We love the small town look and feel of Rehoboth. We don't like the huge buildings in OC, or the feel of Fenwick. It's wonderful to be able to walk all over town, and not need to drive. Please keep Rehoboth the way it is. I worry that another hotel will come in, which will add more people and cars to the town - I don't think it can handle more traffic.	8/28/2019 3:36 PM
5	Relocation of homes/businesses that will be required due to sea level rise due to climate change. Moratoria on new construction that will suffer loss due to the above.	8/27/2019 1:43 PM
6	I know it is not just Rehoboth's problem but Sussex County needs to sit down and think about the impact of the more and more housing on traffic. And how to keep things nice with more and more visitors. PS love the new zoning!	8/23/2019 9:58 PM
7	The City has a reputation of needing revision and updating of the planning law documents and business owners are discouraged. It is also problematic to have an increasing number of sometimes loud large rental McMansions whose large number of residents have too many cars for the available on-street parking. It would be best to extend the commercial district on Rehoboth Avenue all the way to the canal bridge to reduce the density of the current busiest locations. It is critical to have more attractions that bring folks who might or might not visit Rehoboth otherwise. The new Clear Space Theatre at a location farther down Rehoboth Avenue is a good example of a means of expanding that which Rehoboth is known for. Perhaps we were most a honky tonk beach town in earlier years but now we have a large body of fine dining restaurants that attracts people who might not otherwise be so keen on the beach. Gay and their bars and clubs have been a very positive influence on the community and again bring people for things such as the CAMP events and block party, who might not come otherwise. Dogfish is another attraction that brings a more diverse clientele. Reconstruction of the Convention Center with better amenities, a higher ceiling and the potential for raked seating could provide an excellent concert venue. All such attractions bring moneyed tourists and the sort of folks and family that we would want to attract.	8/21/2019 4:00 PM
8	It should not be about packing as many people into the small town as possible (who then drive out of town to shop/eat). It should be about making the atmosphere relaxed, enjoyable, and affordable.	8/20/2019 12:30 PM
9	For visitors it may be helpful to know repeat customers and why they keep coming back. We've been visiting every summer for 16 years with extended family. This was not captured in your survey. We can definitely see a change over this timeframe and the popularity of the area seems to have skyrocketed. The frequency options of what businesses we visit was difficult to navigate because we only come for 1 week every year and some businesses we hit daily while others once a week, but over a course of a year it would be 1-7 times. Probably insignificant for your purpose but I love that you ask for and consider visitors opinion. May consider buying in the future and keep an eye on listings, however affordability is an issue. Love the clean, safe, family friendly town. Appreciate the police patrol of the boardwalk in the evenings and bandstand entertainment. Liked the smaller umbrella ordinance recently implemented and continued effort to keep the beach clean as tourist population increases. Could use a noise ordinance at times (personal radios are starting to become somewhat of a nuisance on the beach). Love the lifeguards. Keep up the good work and thank you for considering us! See you next year!	8/13/2019 7:54 AM

10	STOP tearing down the older cottages. Rehoboth is losing its charm each time one is torn down.	8/12/2019 9:06 AM
11	Would not want to see the ocean block to second street loose it's beech cottage feel more than it already has.	8/12/2019 8:20 AM
12	The loss of trees and older cottages have made many blocks unrecognizable over the past decade. Plant more trees, enforce the Tree Ordinance, and better manage the size, scale and look of new houses. The residential neighborhoods, once as important a part of Rehoboth's charm as the beach and boardwalk, have been decimated. Rehoboth increasingly looks like a housing development because of the similarity of the new houses and the skimpy landscaping.	8/7/2019 5:09 PM
13	I cannot fathom why the City keeps side stepping congestion and parking issues. I mean, people who live in the beach area are held hostage in their homes on weekends, or if they chose to venture out are held hostage in their cars stuck in traffic. Me and my money are going elsewhere most of the time.	8/7/2019 2:53 PM
14	There should be more free parking	8/6/2019 8:42 PM
15	Rehoboth, Wilmington and Baltimore Avenue - Clean up sidewalks that are stained and unsightly, plant more flowers and native trees. Institute a stormwater management plan, create an ordinance that will prohibit runoff from construction sites, provide credits to homeowners for installing pervious surfaces, install filters in large storm drains that flow into the lakes	8/5/2019 5:15 PM
16	Consideration of annexing the area near the wastewater treatment plant to the city limits given that those residents are impacted by decisions made to the plant and surrounding land.	8/5/2019 8:06 AM
17	heavy traffic and parking are my main concerns with Rehoboth Beach	8/3/2019 4:59 PM
18	don't build a parking garage, you don't need it because of the jacked up parking rates. I only go before 10 or after 10. The rest of the time I am out on Route 1 where there is free parking. Seems like you are gauging the public.	8/1/2019 2:39 PM
19	Consider climate change when revising the plan	7/29/2019 12:08 PM
20	Rehoboth is getting a little "honky tonk." Let's honor the areas that bring the tone up a notch. One example is Clear Space Theatre.	7/27/2019 2:29 PM
21	We need more bathrooms or spot a pots near Rodney Street. You put them up for the Fourth of July then the next day they were gone.	7/25/2019 6:51 PM
22	a town, especially a small one, needs the right balance of activities and residential options. there is currently insufficient year round residents to support "regular" commerce. it is a complete tourist economy, but they are last in your calculus. build parking and make it reasonable - offer free parking at times to get new people in. close sections of some streets, like the area of the bandstand, on weekend mornings to let people ride bikes with their kids or walk their dogs in a car free area. encourage and support or build a dog park in an accessible area of the town or just on its edges. encourage diversity in business development - if not, you will see nothing but offices and restaurants and even more empty storefronts. encourage residential year round units on top of commercial.	7/25/2019 5:17 PM
23	We support Clear Space Theater's plans for a new building. We are concerned about the planned hotel development in the first block of Baltimore Avenue.	7/25/2019 1:23 PM
24	Focus should encourage pedestrians and bicyclists. Fewer cars, more vehicle free areas. Free circulator shuttle bus.	7/24/2019 9:07 PM
25	Retailers on the boardwalk need to cleanup their space, replace ripped flags paint storefronts etc. city is starting to look dirty. Also need to enforce laws regarding pets on beach and boardwalk	7/23/2019 7:35 PM
26	The businesses need to have more say in city matters. We are losing our town to route one because residents do not want change.	7/23/2019 9:09 AM
27	There needs to be more flexibility in the length of parking stays for those who spend more than 3 hours per visit in the area. Current parking restrictions in that regard are too inflexible.	7/23/2019 1:46 AM
28	Provide incentive for cultural activities for adults such as theater and galleries. There are many fine restaurants but additional adult cultural opportunities would be welcome.	7/20/2019 10:11 AM
29	restrooms required at southern end of boardwalk. even porta potties for the summer would be better than nothing	7/19/2019 11:15 PM

30	More parking should be available to locals that do not live within the town limits. I would go into the town limits for shopping/restaurants on a weekly basis if it weren't for the difficulty parking and the high price of the meters.	7/19/2019 9:03 PM
31	I feel that keeping Clear Space Theatre Company within the city limits is vitally important to both full-time residents and visitors. The theatre company contributes to the quality of life in the city by offering educational programs to all ages as well as quality arts performances to visitors, residents and under-served audiences in our community. I urge the planners to include sensible regulations that will allow these kind of organizations to thrive within the city limits and continue to enhance the lives of visitors and residents alike.	7/19/2019 7:41 PM
32	Stop building houses/communities once its too crowded the tourists will stop coming because of overcrowding	7/19/2019 8:53 AM
33	Frankly, it would be beneficial to finally lay to rest the belief that it was still 1955 which characterized the Cooper regime	7/19/2019 8:15 AM
34	Well presented but someone needs to fix the few typos in the survey itself. (I recall at least 3.) Those take away from the professionalism and seriousness of the survey itself.	7/18/2019 11:32 AM
35	Keep Clear Space Theatre Company in downtown Rehoboth! As a "young" person who grew up in Lewes/Rehoboth, having cultural experiences in this community is one of the main reasons I've stayed here and am raising my family here.	7/18/2019 11:08 AM
36	hold parking fees at current levels for several years parking garage may be answer to parking problems	7/18/2019 9:46 AM
37	Parking	7/17/2019 5:57 PM
38	Rehoboth is facing growth. While focusing on tourists is important, resident needs should not be overlooked or downplayed. Possible negative impact of tourist growth on the community deserves a futuristic outlook.	7/17/2019 5:51 PM
39	Parking, parking, parking. I will continue to do any business I can outside of Rehoboth to avoid the parking issues that continue to worse. I will only come into town to access the specific events, arts, etc. I'm interested in that happen to be located there—not bc I don't enjoy the town, but because the parking issues make any other trips into town just not worth the hassle.	7/17/2019 4:38 PM
40	Plenty more f parking for the new playhouse	7/17/2019 3:39 PM
41	Please keep this wonderful town from becoming another Ocean City.	7/17/2019 2:31 PM
42	Bicycle lanes are needed. The streets are so narrow with cars parked on both sides and bicycles of all sorts trying to get their share of the street. RB is a nightmare and we don't go downtown as much as we would like due to congestion, no parking, people not using crosswalks etc. etc. We feel lucky to get home without hitting someone or being hit.	7/17/2019 1:55 PM
43	The parking garage is a great solution to some of the parking. Keep Clear Space in downtown, or there is less reason to patronize downtown businesses.	7/17/2019 1:45 PM
44	New businesses should be required to have proper parking spaces. The "small town" feel of downtown should be preserved. Size of new buildings need to be controlled. Contemporary looks should not be allowed.	7/17/2019 1:28 PM
45	People go to the beach/boardwalk for the day. They dont want to have to move their car every 3 hours. Annoying!	7/17/2019 12:43 PM
46	Cars are driving entirely too fast in your town for safe walking and biking. You mist do something about it. It's prohibiting me from walking to town and therefore needing a parking space. Make this a pedestrian and biking friendly town. Not a driving town.	7/17/2019 12:15 PM
47	Lower the parking rates and add much, much more public parking space near the beach and boardwalk like a multi-level parking garage.	7/17/2019 11:55 AM
48	City should facilitate Clear Space Theatre's move to the west end of Rehoboth Avenue. Parking garage in the Convention Center lot will be a plus.	7/17/2019 11:48 AM
49	More affordable parking spots!	7/17/2019 11:39 AM
50	work with the businesses that are there; you should want to keep them. Clear Space is an asset to Rehoboth, but as a resident of Lewes, they should probably move to the highway	7/17/2019 11:34 AM

51	As a person who has had the honor of enjoying Clear Space Theatre Company's fine plays and musicals, I believe we need to assist them in encouraging arts education and making it more practical to those who wish to be in, support, or see a performance. I have heard that they have the plan to move further up Main Street, and I am in full support of that, as it would increase arts education through the creation of a larger, more advanced theatre. This new theatre would allow more events to take place in the theatre all at once, enriching the minds of children of all ages as they partake in camps and rehearsals. Theatre teaches people how to love and respect differences through the action of playing characters that are unique and through viewing well-crafted stories on the stage. This new outlet for the theatre would be a great opportunity to increase recreational activities in the town and would benefit the citizens and visitors of Rehoboth Beach, as it gives them a place to enjoy their time at the beach and spread their love of the "Nation's Summer Capital." Actors flock from all across the United States to take part in this theatre company, and in doing so, fall in love with the town and people. The theatre brings people to Rehoboth Beach, and we need to realize that to be able to encourage Clear Space Theatre Company's growth.	7/17/2019 11:16 AM
52	Please resist the measurement of all costs/benefits in Dollars and Cents. Do everything you can to keep all of the Priority Issues at the Highest Priority level	7/17/2019 10:50 AM
53	People don't know how to drive on the roundabouts! Can you make safer or discontinue?	7/16/2019 9:32 PM
54	I hope that Clear Space Theatre gets approval for their new building they are proposing! It would be a crime if that theatre is forced to move out of Rehoboth Beach! It's a cultural gem!	7/16/2019 1:32 PM
55	KEEP PARKMOBILE, it is a benefit to have this over stickers in the window.	7/15/2019 4:56 PM
56	Close off main road in Downtown to traffic. Make it pedestrian only walkable area. Need alternatives to driving into city in summer. I live in Rehoboth Beach but do not want to buy a \$225 parking pass for the summer so I virtually stop going to Downtown Rehoboth Beach in the summer and patronize Lewes instead for restaurants biking and state park access.	7/13/2019 3:41 PM
57	Eliminate smoking outside of restaurants, higher enforcement of smoking areas on the beach. Just eliminate smoking. This is the one thing my wife and I cannot stand about Rehoboth is walking down the crowded sidewalks with a constant assault of cigaret smoke.	7/13/2019 12:27 PM
58	additional parking needed more free library parking	7/13/2019 8:25 AM
59	Parking is the biggest issue when I first moved there I bought the pass but as the price goes up I cannot afford it. If free evening street parking is taken away we will no longer come into town at night.	7/13/2019 7:47 AM
60	Stop building!!! Preserve the seashore atmosphere of the city.	7/12/2019 7:00 PM
61	It really is time for a parking structure	7/11/2019 3:14 PM
62	keep up the good work	7/11/2019 1:41 PM
63	I think that public transportation would be helpful to cut down on the traffic in the city center. To add more parking would take away from the beauty of the area Rehoboth Beach has been.	7/11/2019 10:34 AM
64	Please consider the parking issue in your Comprehensive Plan for Rehoboth Beach. Please also consider ridesharing, and/or more ride options (shuttles, trains, etc.) for young people to go out and have a good time, yet have a safe and sober ride home. Please remember that not everyone coming to Rehoboth is "rich." Paying \$40 in parking tickets is a lot for people, especially middle class just trying to get by. Many live paycheck to paycheck, and want to spend their money on the local economy - not the parking attendants.	7/10/2019 8:48 PM
65	Parking facilities	7/10/2019 5:35 PM
66	"issues of importance" or "important issues" -- I think whoever puts these things together should get someone to proofread them!	7/10/2019 5:28 PM
67	If the current City commissioners can't do a much better job of fixing the public parking and reducing parking costs for visitors, then it's time for new commissioners who understand what the priorities are. It's a no-brainer as to what the City needs most.	7/10/2019 3:59 PM
68	The area has the best helpful, friendly residents and business owners to accommodate visitors and make our furry four footed feel very welcome with attention and water/treats at doors.	7/10/2019 2:09 PM
69	Pop up "Yield to Pedestrian" signs are needed in the crosswalks of East & West bound Rehoboth Ave. on each side of the traffic circle. This would greatly improve pedestrian safety and allow bicycles to better access "bike to beach" streets.	7/10/2019 12:31 PM

70	I do not believe that the Rehoboth Beach community needs to have additional public restrooms or changing facilities. The aesthetic of the Rehoboth Beach boardwalk is wonderful and if you add additional restrooms and changing areas you will unfortunately have similar issues to those in Ocean City, Maryland. At times the people "tail gating" out of their cars is out of hand and I do believe that needs to stop. I would hate for Rehoboth to become another statistic.	7/9/2019 2:33 PM
71	I would like to see less "day travelers" eating out of their car and changing their clothes in the streets. Parking is horrible at night but manageable with Uber. Remember, the charm in Rehoboth is what attracts people. Please don't change that.	7/9/2019 1:31 PM
72	I do not think providing additional public restrooms or changing facilities near the beach is a good idea. I feel it will attract a bad element to a peaceful location. We used to go to Ocean City many years ago and found once they allowed people to change in the public restrooms facilities there, the type of clientele they attracted soon became a deterrent to the family atmosphere and the peacefulness and enjoyment of the beach. If you want proof of this, visit Ocean City on any given weekday, especially, Thursday thru Sunday and see for yourself. Thong swim-suits everywhere, people camping out on the beach as if they live there, people using the showering facilities located off the beach to remove sand as a personal shower, fights randomly breaking out. It is not the type of atmosphere those who visit Rehoboth beach want to endure.	7/9/2019 11:12 AM
73	As a family, or individually, we have lovingly stayed in Rehoboth Beach whenever we can for some 50 years. Gotta love the place! So safe. Rehoboth Beach must be congratulated for all the wonderful changes in appearance over the years. The outlets do not detract and are an asset to the entire community. Someone there has had excellent foresight regarding Rehoboth Beach's development over the years. Thank You for all you have to offer.	7/9/2019 10:37 AM
74	I would like to see beach mats (the blue mats) at Norfolk Street (as do a lot of locals) and they are extremely helpful for elderly and people with small children to be better able to get to the beach.	7/8/2019 6:28 PM
75	I do not likenon city residents serving in elected public office. Rehoboth Beach should be run by Rehoboth Beach residents, not investor/speculators from out of town	7/8/2019 12:55 PM
76	Parking is our biggest concern when we come into Rehoboth	7/8/2019 10:49 AM
77	While it's lovely that so many new houses are being built, so many rentals are going away. At some point there will be a need for more hotel/housing or people will go somewhere else. Also, it's sad to lose so many pieces of history.	7/8/2019 6:48 AM
78	parking on the outskirts of route one with better transportation into the city for events the beach our visit is always a good time	7/7/2019 10:02 PM
79	You need to stop the people getting changed in the streets with towels covering their car windows. This is a big problem and I don't like my grandkids seeing this. One time my wife and I were eating at Black Wall Hitch and while we ate people got completely undressed and redressed right in front of us. This is a big problem and needs to be stopped. Need more police on the board walk and on the streets walking to stop these new groups of thugs coming into town to start trouble.	7/7/2019 9:54 PM
80	I live in Delaware. Visit boardwalk 1-3 times a year. Children ages 9 and 10. Eat at Restaurants in Rehoboth 1-3 times a year. Shop at Outlets 2 times a year. Police Department and safety are great. Parking is a nightmare but living here I know this.	7/7/2019 8:44 PM
81	There must be another way out of the city made. Going in & out on holidays, especially 4th of July, is horrendous.	7/7/2019 8:37 PM
82	parking is horrible and expensive this is why i dont go down town	7/7/2019 8:17 PM
83	Traffic is of course an issue as it has been for the past 29 years if our visiting the beach. I'm concerned that the infrastructure remains relatively static while the conditions continue to deteriorate. I look to the state of Delaware to address the worst traffic. The city has done a good job recently. For example, the changes to Rehoboth Ave years ago to make a pedestrian walkway down the center for people who park in the middle and the overall improvement made to parking, streetscape and pedestrian safety are fantastic! Rehoboth is to be commended for making a huge step forward with this change. We enjoy going downtown even more since the work was done. And we always enjoy stopping at the library when we are in town. Great library w wonderful staff - we are happy to pay the annual fee as out if staters.	7/7/2019 8:07 PM
84	Build a 2 or 3 storey parking garage above the existing parking lot for the city hall/convention center.	7/7/2019 7:41 PM
85	Stop all the damn developing. The town is getting ruined.	7/7/2019 7:28 PM

86	Town needs to get s better handle on visitors too too many tourists and not enough parking, beach space etc	7/7/2019 7:17 PM
87	Love the park and ride in Lewes by Lowes - FREE parking is such a draw. Please consider this at the other park and ride down Rt 1	7/7/2019 7:12 PM
88	I found it to be a tourist trap, especially the rip-off of the motorist with regard to the parking scam. How about free parking on the residential streets?	7/7/2019 4:18 PM
89	As a "local" Sussex County resident, I avoid downtown RB whenever parking meters are in effect. Just too much hassle. So any extension of the parking meter season or hours will mean less time and money that I spend in downtown RB. Route 1 businesses are an easy alternative.	7/7/2019 4:17 PM
90	No comment.	7/7/2019 4:17 PM
91	RB is bigger than just the residents - it is a much larger community and the folks in City Hall need to understand that. Give the local businesses a voice in government otherwise they will end up with a bunch of vacant store fronts as everyone moves out to Rt 1.	7/7/2019 11:43 AM
92	Parking is very expensive for retired people. My husband had to go to the bathroom, while I was picking up something from a store. It cost \$3.50 to park! A kind woman warned me about the arrows for parking as she got a ticket the day before as she put her \$ in the wrong meter.	7/7/2019 11:41 AM
93	Parking is so horrible. We park in dewey, and take the jolly trolley into downtown. With the amount of money it costs to park, how about a trolley station with more parking??	7/7/2019 10:08 AM
94	The new metered parking charges keeps me mindful of time and I do not stay in town very long anymore. It increases dining, shopping etc costs.	7/7/2019 9:08 AM
95	The building going up near route 1 and Rehoboth Avenue is an ugly structure and does not make an appealing entrance to the downtown beach area	7/6/2019 11:57 PM
96	the beach is looking very good. thank you	7/6/2019 9:21 PM
97	Thanks for asking my opinion. We visit from Harrisburg, PA, multiple times a year, but usually not between Memorial Day and Labor Day. Always an excellent adventure.	7/6/2019 7:55 PM
98	Keep it free of commercialism. Allow more unique shops privately owned. NO TALL BUILDINGS to obscure beautiful views. Get any traffic accidents handled quickly.	7/6/2019 7:13 PM
99	Love Rehoboth Beach n Part n Ride	7/6/2019 1:35 PM
100	We have enjoyed visiting Rehoboth for years, traveling from Rochester NY. Unfortunately the cost of hotels have gone over the top making our visits fewer and at non-peak vacation times.	7/6/2019 1:29 PM
101	Live nearby and would visit more except for traffic and parking. Usually avoid the summer and come after the parking meters are removed. Even in the off season parking is still an issue. We have turned around and left before because of the lack of parking.	7/6/2019 12:37 PM
102	Improve your intersections & only allow compact cars or bikes/motorcycles on all 4 corners so you can properly see oncoming cars in both directions before proceeding across your intersections.	7/6/2019 11:08 AM
103	Our family loves to vacation at Rehoboth Beach every summer as our relatives have done in the past. The friendly small town simplicity and charm centered around the clean natural beach make it the best place to visit that we know. The inviting, unimposing and relaxed atmosphere keeps the town in balance with the religious, artistic and historic elements that helped create it and which continue to shape it and attract people. It is a place where your family can easily walk to the beach or shops and where dog walkers and joggers abound because the streets are safe to cross and traffic is slow and orderly. We look forward to visiting every summer and like everyone else would eventually like to move there someday.	7/6/2019 9:51 AM
104	Implement long term fix for water treatment fiasco. The outfall was a waste of money because the excess capacity will never be used, the maintenance cost of the water treatment plant is beyond what the City can handle, spread the liability over the entire County of Sussex, this should be a NO BRAINER, but there are absurd positions being voiced by paranoid City residents.	7/6/2019 8:46 AM

105	Parking. Parking. Parking. I live within 2 miles of downtown and I work within .25 mile of downtown yet I am unable (unwilling) to go into down for nearly 1/3 of the year because of the difficulty finding parking. I enjoy walking but it is not at all enjoyable to go to the theatre or dinner drenched in sweat on a hot and humid day. This happens more often than not because I will end up parking at my workplace and walking downtown because I don't want to spend 20-30 mins circling the streets looking for somewhere to park. When presented with the option of attending an event or patronizing a restaurant on Rt 1 or in Milton I will choose this over dealing with downtown Rehoboth issues.	7/6/2019 8:42 AM
106	Please consider parking garage option	7/6/2019 8:31 AM
107	Please don't lose the quaint beach town look and feel that Rehoboth has been known for all these years. Remain diligent with law enforcement. Dewey Beach has been getting lots of publicity lately.....and not in a good way.	7/6/2019 7:23 AM
108	I have been visiting beach and boardwalk since early 1960s	7/6/2019 4:07 AM
109	If changing areas are added (with pay showers)Perhaps locker rentals so one could bus in and out and stay for the evening after a day at the beach.	7/6/2019 12:59 AM
110	I also cannot do side parking as the curbs are too high to deploy my wheelchair ramp. If I find a curb low enough many times there is a bench or tree where my ramp would go. I am a member of the State of DE Commission for Disabled Persons. The City of RB DE IS NOT in compliance with ADA laws as they DO NOT provide the required amount of accessible parking. None of the few spots for accessible parking spots are not designed to accommodate a van with a ramp for wheelchair users.	7/5/2019 10:24 PM
111	Please consider extending the time at certain meters past 3 hours. I understand that you want to keep cars moving, however, if I want to park close to a restaurant on the 2nd block of Wilmington and then go to Funland with my children or a show at Clear Space, I have to then figure out where I can and cannot park at a meter that goes past 3 hours.	7/5/2019 10:18 PM
112	controlled growth	7/5/2019 9:06 PM
113	Wish you could get food on beach sometimes without going to Boardwalk!!!	7/5/2019 8:59 PM
114	I hope that the area keeps it's small-town charm while it's continuing in its development and continues to support small/ local businesses.	7/5/2019 6:13 PM
115	More public transportation more police presence	7/5/2019 5:58 PM
116	Widen the walkway on the bridge on Bayard that goes over Silver Lake to allow strollers. I have to go in the street to use my double stroller to go over the bridge.	7/5/2019 5:33 PM
117	Rules are rarely enforced, e.g., dogs on boardwalk and beach, bikes on boardwalk, smoking on boardwalk, etc.	7/5/2019 5:30 PM
118	Something really needs to be done about parking and the rates. I venture into Downtown only to drop off /pick up people to shop & leave. I either can't find a space or rates are outrageous and I'm coming as a local! So far I avoid Downtown shopping on Route 1. I'll return after the summer season is over.	7/5/2019 5:25 PM
119	a parking garage would be great. They can be design to look nice and not like an ugly concrete structure. Please don't allow a big hotel to be built on the boardwalk. The center of town needs to stay a pleasant fun place.	7/5/2019 5:00 PM
120	I have only been a resident of the area for the past 4 months. I plan to do and see more in the city during off-season.	7/5/2019 4:56 PM
121	You must work on the parking situation, either a garage or more outlying parking with suitable transportation, maybe the new school lot during the summer ect.	7/5/2019 4:50 PM
122	Good luck	7/5/2019 4:39 PM
123	The biggest issue in Rehoboth is the parking. People want to park close to the restaurants and shops, but people also want to park close to the beach. I feel the town needs to make room for a large parking area, so that everyone is satisfied.	7/5/2019 4:24 PM
124	Shopping is being driven out of downtown on to route one. Parking is at a premium (not enough parking) and parking is much too expensive. If downtown was so successful, you wouldn't have the number of empty store fronts and restaurant spaces that you currently have. The vacancies downtown seem to have accelerated in the past two to three years.	7/5/2019 4:07 PM

127	1. Answers will be confounded because in- and out-of-season answers are VERY different. You will not be able to tell what respondents were thinking don't know the boundaries of RB. Answers will be skewed. For example, I go to YMCA everyday and I almost answered that I exercised in RB regularly. Not true. It's outside of RB city limits.	7/5/2019 3:20 PM
128	I cant stress how important it is to find a solution to the parking challenge.	7/5/2019 3:07 PM
129	Parking in the summer is a fiasco. Please spend some time trying to solve for it. A parking garage with summer rates could probably fund the whole city.	7/5/2019 3:01 PM
130	The only way to enjoy down town Rehoboth is the Park and Ride. We NEVER fight the traffic!! The city should team up with DART. So much easier to get to the boardwalk. Then you could lower the rates at meters for folks from out of town. Or put up posters to out of town visitors about the park and ride. Love Rehoboth!! Been going there for over 50 years. Best family resort in the area, just the traffic. Going into town with the merge lane is a nightmare for most folks. Ride the bus Good Luck.	7/5/2019 2:45 PM
131	Hope any changes/development does not erase the charm and character of Rehoboth Beach.	7/5/2019 2:36 PM
132	Preserving the "character" of Rehoboth is the single most important goal that should drive the CDP. If the city fails in this regard, other aspects (business development, public safety, etc.) will all suffer greatly. The charm of Rehoboth's neighborhoods, lakes, etc. can not be replicated by other jurisdictions and help us establish a unique differentiation.	7/5/2019 1:47 PM
133	I fell like the local Sussex County residents have been smothered by the tourists who have destroyed the roots and beauty of Rehoboth Beach. In years past I have frequented the beach and downtown area but current conditions are so poor that I avoid the area. Massive crowds are causing environmental degradation, dangerous conditions, and the immiseration and pricing-out of locals. The city needs to realize that pubs, liquor joints, etc bring additional inappropriate behavior and increase the need for police and law enforcement. There is a massive need for businesses and activities with family values and wholesomeness!	7/3/2019 9:45 AM
134	Parking is the big issue, even if I go just to browse around town. I'd recommend making some roads one way and making parking diagonal.	7/3/2019 7:38 AM
135	There was a question about bars and another for restaurants. But there's only restaurants not bars in rehoboth	7/2/2019 8:41 PM
136	Better traffic flow and better parking are a must!!	7/2/2019 4:41 PM
137	I believe Rehoboth Beach to be one of the nicest, well kept towns/ beaches in the country. Thank you for all who work so hard to keep it that way. About the only thing I ever hear anyone grumble about is parking, so overall that is pretty good in my opinion.	7/1/2019 12:27 PM
