Dear Ms. Lynn:

**Re: Rehoboth Beach Ocean Outfall
Contractor Prequalification Results**

The City received five Qualification submittals in response to the Request for Prequalification No. 16-001 of the Rehoboth Beach Ocean Outfall project. Based on the review of the packages received, the following Contractor submittals have been reviewed and meet the contractor qualification requirements.

Firm	Role	Sub	Role
American Bridge	Marine	Mears	HDD
Caldwell Marine International, LLC	Marine	ECI Drill	HDD
Manson Construction Company	Marine	HDD Co.	HDD
Weeks Marine	Marine	Mears	HDD

In evaluating the qualification statements, GHD closely examined the submitted documentation, specifically, focusing on each potential bidder's previous projects. GHD's evaluation included a review of the projects' scope of work, type of projects as well as the input of the references contacted.

We believe that the four shortlisted contractors have the experience and the knowledge to provide a thorough proposal and look forward to assisting you in the next phase. Please feel free to contact myself or Brandon Gott if you have any questions.

Sincerely,

GHD
