## Special Event Permit Application

### Terms & Conditions

This application must be complete by any entity seeking to have a special event within the city limits of Rehoboth Beach.

A **special event** is defined as any public assembly or gathering of people which may, because of the location, time or anticipated number of persons involved, be reasonably expected to have a significant effect upon the ordinary use of the public streets, rights-of-way, sidewalks, Boardwalk, beach or any other public areas. By way of example and not in limitation, "special event" includes fairs, festivals, parades, motorcades, bicycle rides/races, rallies, marches, processions, walking events, running events, and concerts. Private social gatherings on private property or funeral processions are not included. (C/O § 230-2)

### Submission Requirements

- **Accuracy** - All applications must be complete and accurate. Applicants must provide **all** the details requested in the required Special Event Permit Application.
- **Deadline** - All applications must be submitted to the Communications Department at least eight weeks prior to the date of the event.
- **Fees** -The applicant must submit a deposit of \$600 with the Special Event Permit Application, \$50 of which is a non-refundable permit processing fee. The remaining portion of the deposit shall be returned to the applicant upon completion of the event as agreed upon and/or applied to any of the below listed fees.
  - Bandstand Usage Fee - \$200 for the first 3 hours of use and \$75 per hour for each additional hour.
  - Grove Park Pavilion Usage Fee - \$75 for use of the small pavilion, \$100 for use of the large pavilion, or \$150 for both.
  - Extra Duty Police Services – See detailed section below.

Any fees in excess of the \$600 deposit shall be billed to the applicant following the event.

- **Insurance** – The approval of a Special Event Permit Application may be made contingent upon the applicant providing the City with a certificate of liability insurance covering the City of Rehoboth Beach as an additional insured, in a minimum amount of \$1,000,000. In determining whether or not to require insurance under this section, the City Manager shall consider, among other

things, the availability of such insurance in the community, the size and nature of the event, the likelihood of harm to the participants and/or spectators and the financial ability of the applicant to pay for such insurance.

- **Cleanup** - Applicants shall be responsible for the removal of all debris, litter and equipment generated or caused by a special event within 24 hours of the event's conclusion. If the applicant fails to do so the City shall have the authority to remove it at the expense of the applicant. If, because of the proposed nature, size or duration of a special event, the City Manager reasonably concludes that the cost of the cleanup after the special event would exceed \$2,500, the City Manager may require, as a condition of issuing a special event permit, that the applicant deposit with the City the sum of \$2,500 in the form of cash, letter of credit, performance bond or other means acceptable to the City. Such deposit shall be returned to the applicant without interest no later than five working days after the conclusion of the special event, provided that the applicant has satisfied its cleanup obligations.

### **Delaware Division of Public Health COVID-19 Requirements**

Those holding outdoor events on public areas in the City of Rehoboth Beach are required to adhere to COVID-19 guidelines established by Delaware Division of Public Health. They should assure that attendees and visitors also are conforming to the guidelines.

#### Responsibilities of event organizers:

- The area in which the event is taking place has to be delineated so organizers can control the number of people attending.
- If the public is invited, event organization must control and monitor access.
- Entrances and exits must be clearly labeled.
- There must be signage to indicate one-way paths for walking to allow for social distancing. Signage and/or ground markings must clearly show how to maintain six-foot distances if there are booths or other places where people will be standing.
- Hand sanitizer must be easily accessible throughout the area for all participants, attendees and visitors.
- Benches and tables and chairs must be positioned for social distancing.
- Tents must have opposing sides open for ventilation.
- To adhere to the State of Delaware requirement for contact tracing, organizers should either collect names and contact information of those attending, or inform the City if they learn of a COVID-19 outbreak so the City can alert the public.

#### Responsibilities of visitors and attendees:

- Masks must be worn except when eating or drinking, or when social distancing (at least six feet from another person) cannot be maintained.

- Social distancing must be practiced.
- Family members can sit together while eating.

## **Application Review**

Within 30 days of receiving a complete and accurate Special Event Permit Application the City Manager will render a decision on whether or not the application is approved. The City Manager may also approve the application with conditions with respect to day, time, duration, location or other reasonable conditions, including payment of the City's incremental costs necessary to provide those public services necessitated by the special event.

The approval of an application will be based upon multiple criteria including, but not limited to;

- Will the event significantly disrupt traffic within the City to the extent that no practical solution to such disruption is reasonably available?
- Will the event significantly interfere with access to or egress from the fire station such that the ability of the Fire Department to promptly respond to emergencies would be jeopardized?
- Will the location of the special event will cause undue hardship to adjacent businesses, residents and/or property owners?
- Will the event require the diversion of City employees which would unreasonably deny service to the remainder of the City?
- Will the event interfere with a previously scheduled event?
- Has the applicant provided incomplete or false information during the application process?
- Do the event organizers have outstanding debts with the City for the same or similar events?

## **Revocation or Suspension of Approved Permits**

The City Manager may revoke or suspend an approved Special Event Permit Application for any of the following causes;

- Submission of a fraudulent application containing misrepresentations or a material and significant incorrect statement made in the application or in the course of promoting the special event.
- Failure to comply with City Ordinance Chapter 230 which governs Special Events.
- An event is conducted in an unlawful manner or in such a manner as to constitute a menace to the health, safety or general welfare of the public.

## **Events Requiring Police Extra Duty Services**

All Special Event Permit Applications will be reviewed by the police department prior to

approval and a determination will be made if police personnel are required for the event. If the police department determines that the event, due to its size and/or nature, requires the assignment of extra duty officers then the associated costs shall be the responsibility of the applicant. The following terms govern the assignment of extra duty officers to an event.

- Any person, business, organization, and/or entity paying for certified police officers to provide police services to enhance the safety of an event, to conduct traffic or pedestrian control, and/or to provide a service consistent with law enforcement duties shall be referred to as an extra duty employer.
- The Rehoboth Beach Police Department maintains exclusive rights in determining the number of officers required in order to maintain a safe environment for all and dictates placement and duties.
- All police officers working in an extra duty capacity are at all times required to adhere to the policies and procedures of the Rehoboth Beach Police Department. Officers will comply with and enforce, as necessary, all State and local laws and ordinances.
- An extra duty employer has no authority over police personnel at any time and is restricted to providing only a general assignment of duties to be performed by the officer. Those duties shall ***NEVER*** supersede the policies and procedures of the Rehoboth Beach Police Department. Extra duty officers remain under the exclusive control of the department and are accountable for strict adherence to departmental rules and regulations. Any conflicting rules of extra duty employers will be disregarded. The officer shall refuse to perform any duties deemed to be in conflict with the policies and procedures of the department or those which may constitute a threat to the status or dignity of law enforcement as a professional occupation. The Rehoboth Beach Police Department is ***NOT*** obligated to provide extra duty services.
- In the case of a departmental need or community emergency, the police department may cancel any extra duty assignment. The extra duty officers would then be immediately available for service to the department. If this occurs, extra duty employers will no longer be responsible for paying for the officers once they are recalled.
- Rehoboth Beach Police Department officers are ***NOT*** permitted to receive cash or direct payment from customers for any reason whatsoever.
- The extra duty employer agrees, individually and on behalf of the named applicant, to promptly pay for any extra duty services rendered in excess of those covered by the initial \$600 application deposit upon receipt of an invoice. Furthermore, the undersigned agrees, individually and on behalf of the named applicant to pay all costs, expenses and attorney's fees incurred in the collection of any sums due hereunder.
- **The rate of pay for each extra duty officer is \$80.00 per hour. A portion of this hourly rate is retained by the city to cover expenses associated with use of department equipment and administrative costs. An officer**

**working an extra duty assignment will be paid for a minimum of three (3) hours.**

- Cancellations by the extra duty employer should be made at least two (2) hours before the time the assignment is scheduled to begin. If the cancellation is made less than two (2) hours before the time the assignment is scheduled to begin (with the exception of a natural disaster), the customer will be charged and the assigned officer(s) will be paid for a minimum of three (3) hours.
- In the event that a scheduled extra duty officer does not show up for an approved event, the extra duty employer shall immediately notify the on-duty Shift Commander at (302)-227-2577.

**The undersigned applicant agrees that the applicant and event participants will conform to all terms stated above, as well as, all applicable State laws, city ordinances, by-laws, and regulations. Additionally, the undersigned applicant agrees that the applicant and the event participants will conform to any special requirements that may be made as a condition of the granting of a special event permit pursuant to this application. I/We agree to hold the City of Rehoboth Beach harmless from any and all liability and will defend the City of Rehoboth Beach in connection therewith.**
